## SHOP DOLLY DELUXE, RED

THE ORIGINAL SHOP DOLLY.

- ◊Originally designed in 1966, this shop dolly has evolved over the years to accommodate the new styles of snowmobiles.
- ◊Package size is 40" x 26" x 7" which is half the size of our competitors.
- ◊New axle position for higher lift
- ◊Adjustable lower legs (2 positions)
- ◊Lifts 25% easier than all the competition
- ◊Soft Rubber pads accommodate 38-51" wide snowmobiles
- ◊Will accommodate single and two up sleds
- ◊Heavy Duty Steel construction can withstand the weight of the heaviest sleds
- ◊Exclusive Break apart design
- ◊Adjustable lift strap secures sled
- ◊"Feet" on the bottom aid in upright storage
- ◊Heavy Duty Steel Rims; No plastic spokes that get brittle in the cold
- ◊ Heavy duty Knobby tires (480x4.0-8)
- ◊ Powder coated red
- ◊Long reach arms
- ◊MADE IN THE USA!

## SUPER SIPHON HOSE

- ◊The amazing SUPER SYPHON has a 1/2" diameter x 6Ft. long anti-static, anti-spark hose with a 3/4" diameter copper pump that contains a glass ball and stainless steel spring.
- ◊Very unique self priming siphon with 6 foot hose.
- ◊Eliminates the risk of swallowing or inhaling harmful liquids.
- ◊Easy to use. Just shake the siphon up and down rapidly and the built-in check valve system primes the siphon.
- ◊Works with many liquids such as water, gas, diesel, kerosene, fertilizer, insecticides, thinners, paint, lubricants & solvents. Great for emergencies!
- ◊Many applications for home, marine, aviation, industrial, cars, planes, boats, snowmobiles, ATV's, aquariums, waterbeds, home brewing, and many other uses.
- ◊Antistatic 1/2" hose.
- ◊Siphons up to 3.25 GPM
- ◊SAVE A TRIP TO THE HOSPITAL!
