SAFETY HELMET CHIN STRAP

ECHO HELMET QUICK CLIPS

◇The RELIABLE, FAST and CONVENIENT way to securely fasten and unfasten your safety helmet chin-strap.

◇Constructed of tempered steel and high impact nylon, with a metal to metal Echo design locking feature which requires pressure from BOTH sides to release.

◇The #1 choice of riders since 1987, it EXCEEDS chinstrap testing requirements of D.O.T. 218, SNELL (2005) and N.I.J. 0104.02.

◇UV protective clear coating, protecting paint and graphics
